“ Dream Machine is easily the best festival I have ever been to! From all the secret stages to partying with all the artists, nothing compares! ”

A WORD FROM OUR DIRECTORS

Om Swastyastu friends! Q and Muz here and on behalf of the entire Dream Machine team, we can't wait to welcome you to the picturesque shores of Nusa Dua. Thank you for trusting us with your holiday, an honour we take very seriously. We have far too little time these days to travel, make new friends, and be present.

Our team have spent months meticulously planning Dream Machine to be as intensely active or as relaxing as you want. Choose your own adventure... and adventure we shall. From sunset margs at the spectacular Blowhole to hidden afterparty rave caves; a purpose built coconut beach club to mornings of juice bars and sound healing; mass yoga sessions to a stunning main arena island - you're in for an absolute treat!

When you see us or any of our team, be sure to come say hi! We love meeting all the amazing people of Dream Machine.

So we implore you, lean into the experience. Take that ocean swim, have that mojito at lunch, have two, introduce yourself to the person sitting next to you, and hold on tight as we set off on a week you won't soon forget!

“ It really was the trip of a lifetime! I met some life long friends and my heart is full. ”

LET'S ESCAPE TO

NUSA DUA

Located approximately 40km (30mins drive) from Denpasar airport, Nusa Dua is famous for its sparkling blue water and soft white sandy beaches.

A picturesque slice of paradise on the southern tip of Bali, it offers breathtaking beaches, lush greenery and crystal-clear waters that are perfect for any beachgoer or water enthusiast. And when you've had enough sun, there are incredible dining, shopping and cultural attractions to explore which keep travellers coming back.

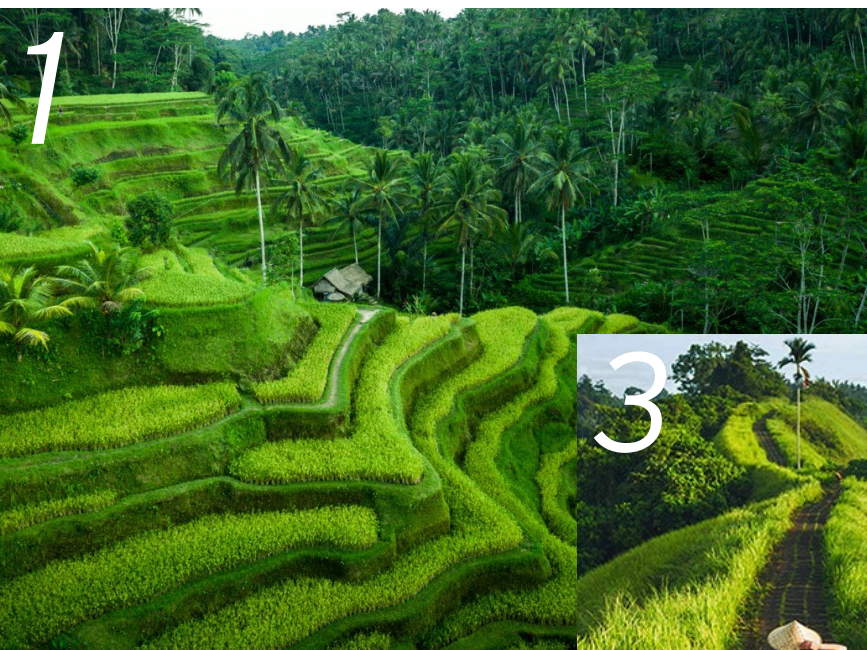

The prestigious, sprawling enclave of luxury resorts lined along the beachfront were purposely built to highlight the beauty of the island, wrapped up in exclusive grandeur, and also mark it as an ideal location for international events and exhibitions, or in our case, a festival!

OUR TOP 5 BALI KODAK MOMENTS

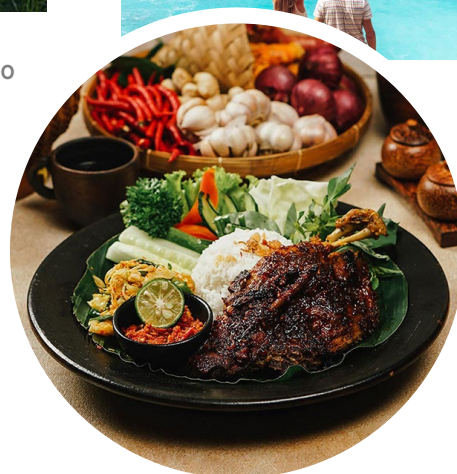

- 1 Tegalalang Rice Terraces, Ubud
- 2 Lempuyang Temple, Lempuyang
- 3 Campuhan Ridge Walk, Ubud
- 4 Kelingking Beach, Nusa Penida
- 5 Blue Lagoon, Nusa Ceningan

Nusa Dua has a rich tapestry of arts and culture for you to explore. Why not indulge your artistic senses at the Museum Pasifika and uncover an extensive collection of valuable artworks, or get amongst the vibrant cultural scene at the Nusa Dua Theatre, where you can witness captivating performances, including traditional Balinese dances and puppet shows.

Shopping around Nusa Dua accommodates all tastes and budgets. The Bali Collection is a large shopping complex featuring local and international brands, or head to one of the many local markets and try your hand at bartering for unique and authentic Balinese crafts and artworks.

From casual beach-front cafes to fine dining experiences, Nusa Dua has it all. Balinese food is known for spicy and aromatic flavors, with dishes like Nasi Goreng and Babi Guling being popular local dishes, but there's plenty more to try if you're feeling adventurous. Are you salivating yet? We are!

TRAVEL (SAFELY) LIKE A LOCAL

UPLOAD YOUR VACCINE PASSPORT

To enter Bali, you must show proof you were fully vaccinated at least 14 days before departure. If you were vaccinated in Australia, you'll need your International COVID-19 Vaccination Certificate to check in for your flight. Fill out the [Electronic Customs Declaration](#) before you travel and download the [SATUSEHAT app](#) to fill out your vaccine details.

VISA REQUIREMENTS

Once you arrive at Bali customs, you are required to purchase a tourist VISA (VOA) which costs around \$50AUD. We recommend doing this on arrival, but if you want to purchase it in advance, do your due diligence and avoid paying unnecessarily high costs, as there are many fake platforms imitating the [official website](#).

BE AWARE OF YOUR SURROUNDINGS

While Nusa Dua is generally a safe destination, it is important to be aware of your surroundings and keep an eye on your belongings. Avoid carrying large amounts of cash and valuables with you, and be careful around roads as Bali traffic can be heavy with few pedestrian crossings.

ORGANISE TRAVEL INSURANCE

You must purchase travel insurance before you go overseas. Accidents can happen at any time, but a good travel insurance will help you in your time of need. We work together with [Go Insurance](#) where you can easily set up an online quote. Purchase this now so you're covered if anything happens before you fly.

Please note, insurance is not included in your package and will need to be purchased separately.

CASH IS KING

Most places in Nusa Dua will have the ability to pay with card, but just to be safe it's always wise to have some cash on hand.

CHECK YOUR PASSPORT EXPIRY

Check your passport is still valid! You must have at least 6 months validity from your return date.

RESPECT LOCAL CUSTOMS

Bali is a mostly Hindu island and it is important to respect local customs. Dress modestly when visiting sacred sites and avoid public displays of affection, which are considered inappropriate.

DON'T DRINK THE WATER!

The tap water in Bali isn't recommended for drinking, so avoid it and stick to sealed bottled water. That includes steering clear of more than you might think, like brushing your teeth with tap water.

DRINKING AGE

Did you know, the legal drinking age in Indonesia is 21? While you can enter bars or clubs at 18+, you are not allowed to legally purchase or consume alcohol if you aren't 21 years or older. Be responsible!

ILLICIT SUBSTANCES

Indonesia has one of the strictest drug policies in the world. Possession of illegal substances is a serious offence and the Indonesian authorities have a zero-tolerance policy. Those caught face huge fines, lengthy prison sentences, or even the death penalty. **DO NOT RISK IT!** Dream Machine cannot help you if an issue arises as we are not responsible for your actions.

THE ROUND

Our open-air second stage offers a unique 360-degree cauldron of good vibrations, designed for total sensory immersion.

Our state-of-the-art sound system will envelop you in crystal-clear, high-fidelity audio, while our dynamic lighting and visual effects will transport you to another realm. Welcome to The Round.

THE BLOWHOLE

The iconic Nusa Dua Blowhole plays backdrop to our most secret sunset stage. Blink and you'll miss it. One platform has a bar serving nothing but delicious drinks (you're welcome), and the other platform has surprise guest DJs dropping the best sundown set you've ever heard.

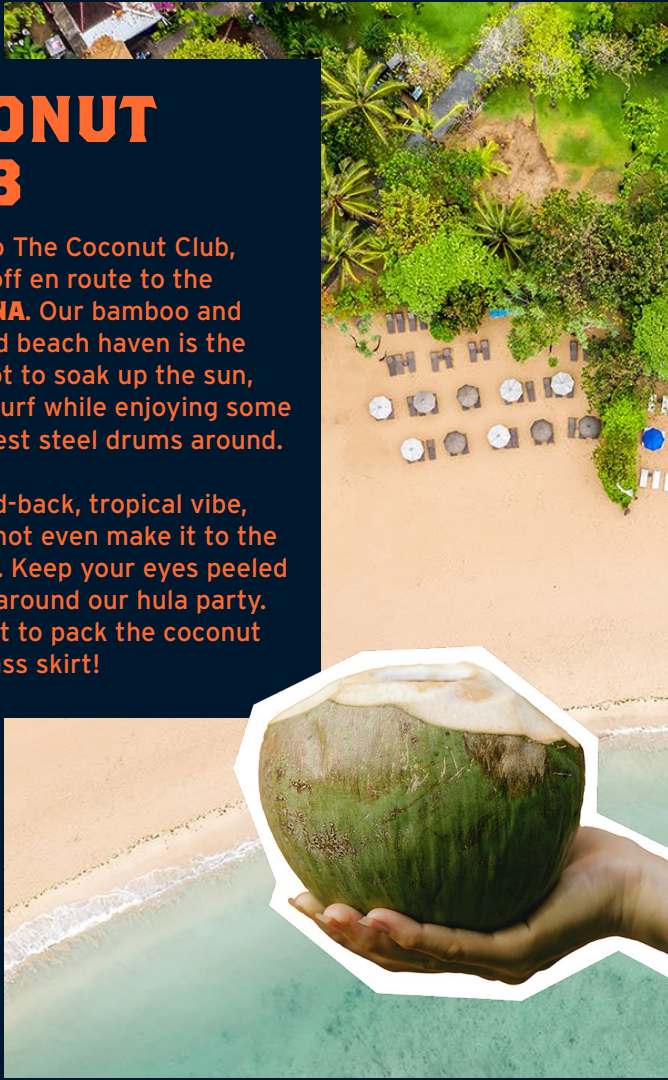

It's intimate and exclusive, but if you arrive early enough you just might have a shot!

COCONUT CLUB

Welcome to The Coconut Club, your stop-off en route to the **MAIN ARENA**. Our bamboo and tiki-inspired beach haven is the perfect spot to soak up the sun, sand, and surf while enjoying some of the hottest steel drums around.

With its laid-back, tropical vibe, you might not even make it to the main stage. Keep your eyes peeled for details around our hula party. Don't forget to pack the coconut bra and grass skirt!

EASY PAYMENT WITH RFID WRISTBANDS

This year at Dream Machine, we will be operating RFID wristbands at our **MAIN ARENA** which will streamline the process of purchasing drinks at the bar or your Dream Machine merch! You'll simply tap your wristband at the point of sale to pay for your order and it will be deducted from your account.

Topping up is easy - you'll be required to create an account on the Dream Machine portal, add your card details and then select how much you want to top up. Once you've loaded funds, you'll need to visit one of our team at an Info Desk to complete the process of loading your funds onto your wristband.

Every time you make a purchase, you'll be able to view your balance. And yes, you can claim back your unused funds after the event!

There's more info on this to come, so keep an eye on your inbox where we'll dive into more of the FAQs.

The Dream Machine app is coming! You'll be able to view the island map, set times for all stages, and reserve your spot for all the Wellness classes.

The app will be available on both the App Store and Google Play, and we'll let you know when it's ready. Stay tuned!
